

TEMPLATE FOR THE MANDATORY BRIEFING CHART

The mandatory one-page briefing chart must be submitted to summarize the project. The Briefing Chart will not be evaluated or used in the evaluation process. It will be used to describe the project if the proposal is recommended for award. It must not contain any proprietary or classified data. Submission of the Briefing Chart is not counted against the 25-page limit. The mandatory Briefing Chart must be in pdf format and limited to 2 MB in size.
